Venue Booking & Grounds | SHOWPALAST MUNICH

Our venue is equipped with a fixed grandstand with seating for 1.700 people. For events with smaller numbers of participants, the capacity can be reduced to 1.360 people using a curtain system. By covering the two outer tiers, the hall can be reduced even further, bringing the total capacity down to 720 people.

Would you like to offer your guests a special experience? How about a gala dinner right on the stage? Up to 700 people can be seated here. If required, the grandstand tiers can be built over to create additional seating and welcome even more guests.
