

SHOWPALAST MÜNCHEN

WITH US, EVERY PERFORMANCE IS A SUCCESS

Indoor concerts for up to 2.400 guests

Our 5-hectare site is ideal for festivals

Impressive lighting technology

Ideal mix of seating and standing areas

CONCERT ENJOYMENT IN- & OUTDOOR

Discover the ultimate concert venue that will make all your senses vibrate! Organize concerts like never before and convince your guests of the **limitless possibilities on our 5-hectare site Indoor and outdoor.**

Our versatile event space offers a capacity of approx. 5.000 guests and is a real eye-catcher with the **illuminated SHOWPALAST München facade** in the background. Whether open-air festivals, concerts or live performances, our outdoor areas leave nothing to be desired.

The SHOWPALAST München, the heart of the site, can hold a capacity of 2.400 people and has 1.700 comfortable seats already installed. Our modern design and carefully thought-out room layout ensure that you have a perfect view of the stage from every seat.

Whether outdoor or indoor, **our first-class lighting and sound technology transforms every performance into an audiovisual spectacle.** From high-resolution LED walls to impressive lighting effects, we can create a captivating visual backdrop that puts the artists center stage and amazes the audience.
